

Instruction Manual

Your item has been carefully packaged for transit. However, due to the nature of the materials used; some debris may appear in the bottom of the packaging or while unpacking. We have designed this item so its beauty will not be diminished by the debris. Due to the natural transit of this item, we have found that the item may flatten during packaging and need to be fluffed. Please know that this can be remedied by manually shaping to your desired look.

Note:
For comfort and safety, we recommend wearing long sleeves and gloves to protect your arms and hands from branches during assembly.

INSTALLATION INSTRUCTIONS:

Please make sure to keep the instructions for reference when setting up your tree next year!

Note:

- 1、 Insert the bottom plug into a wall outlet to turn the lights on.
- 2、 Have a nice christmas day!

CARE INSTRUCTIONS:

- If product becomes dusty or dirty, do not use detergent as it may discolor the product.
- When not in use, store in a cool, dry location.
- Keep away from heat and moisture.

TREE STORAGE:

Step 1: Lift each tree section directly up.

Step 2: Separate the tree sections (starting at the top). Fold branches up to avoid crushing the tips. You can tie the branches up to make the section easier to handle and set up in future years.

Step 3: Unscrew tree stand to release the bottom section. Fold stand and tighten bolts back into stand to prevent losing the bolts.

Step 4: Store in a cool, dry area.
